

You are cordially invited to attend *Evidence-based Pain Management: Addressing the Growing Role of Nurse Practitioners and Physician Assistants in Managing Patients with Acute and Chronic Pain*, a live webinar approved for CME/CE credit hours held during the Oregon Society of PAs 2020 Virtual Annual CME Meeting. This activity will help community NPs and PAs use pain-assessment tools to evaluate patients, improve their familiarity with the FDA Blueprint guidelines for treatment selection, and understand when to use non-opioid pharmacotherapies for neuropathic pain. This activity is intended for clinicians involved in direct patient care, including HCPs who are registered with the DEA and eligible to prescribe all opioid analgesics.

Date: Thursday, September 10, 2020

Time: 2:00 – 5:30 PM PT

Location: Live Online!
